Bespoke Winchester new build WINS NHBC "Pride in the Job" Award

We are delighted with the results of a recent project we recently worked on in Winchester. A stunning detached residence that was completely fitted out with our range of made-to-measure timber windows and doors - and has won the NHBC "Pride in the Job" Award for developer, Darrell Polliket.

This beautiful property was fitted with Dale front and rear doors, sash windows throughout and two sets of Bi-folds, one five-leaf set that allows light to flood into the kitchen's dining area. A classic example of just how important the right windows and doors are to a property and a job we are really proud of.

Wotton Estate chooses Dale

We are absolutely delighted to have won the contract to replace the timber windows and doors of over 100 historic properties that make up the stunningly beautiful 15th century Wotton Estate in Surrey - a project that will be ongoing for the next 3-4 years.
